

From the M25:

- Come off at Junction 11 and head towards Weybridge (turn left from the North, right from the South)
- At the roundabout, take the feeder lane and turn left towards Chertsey.
- At the traffic lights, carry straight on and continue for ¾ mile.
- After the pedestrian crossing take the second on the left into Abbey Road. We are No. 13 on the left after about 200yards. Park right outside. The studio entrance is under the left hand arch – press the bell under the big '13'!

From Staines and Virginia Water:

- Follow signs to Chertsey past Thorpe Park.
- At the very end of the dual carriageway turn left at the roundabout. (This is the same roundabout you get to if coming from Virginia Water – you'd carry straight on.)
- After ¾ mile go over the roundabout then turn left at the lights.
- Follow the road right, left, right over several close mini roundabouts. Turn right at the 4th mini roundabout at the very end of this road. You will have passed Sainsbury's on your left before this.
- After 400 yards the road bends sharply to the left at a complicated junction - you need to go straight on into Abbey Road. We are the second detached house on the right after the apartments. Park right outside. The studio entrance is under the left hand arch– press the bell under the big '13'!

Copyright and Use of Pictures

We often use pictures we have taken for display or advertising purposes. These are always used anonymously with no reference as to who is in them. When I'm putting together an advert I just go through the last couple of week's work and picks out some pics that I really love.

I always aim to obtain your permission first, but admin is not my strong point! So, just to be safe, can you please let me know if you would rather we did not use your family pictures in a flyer, advert or on our website? Many thanks!!
